## PRESENT-DAY (PASELLADAG)

Music: Marie Tredoux

Lyrics: Marie Tredoux

English translation: Nanette Tredoux

My present-day, an undeserved gift  
 Nothing to do all day but slowly stroll beside the sea  
 My present-day, I feel like a birthday child  
 You are wrapped in pure sun and gentle wind  
     A lazy day on the dunes  
     To spend relaxed on a rock  
     A day filled with the sound of surf  
     To run and dance with joy  
     Come sit here with me on the white sand  
     Stare over the green-blue sea  
 I want to give you half of the huge gift I received

My present-day started dull and gray  
 And I expected nothing but melancholy windblown mist  
 Then the sun came, and lifted the lid off the day  
 And gave me a day of sparkling fun-filled joy  
     A lazy day on the dunes  
     To spend relaxed on a rock  
     A day filled with the sound of surf  
     To run and dance with joy  
     Come sit here with me on the white sand  
     Stare over the green-blue sea  
 I want to give you half of the huge gift I received

Present-days are so rare, but when you share  
 There's so much more to enjoy and remember together  
 Like a special double egg  
 A yellow yolk for me and one for you  
     A lazy day on the dunes  
     To spend relaxed on a rock  
     A day filled with the sound of surf  
     To run and dance with joy  
     Come sit here with me on the white sand  
     Stare over the green-blue sea  
 Then I can give you half of the huge gift I received
